

Newsletter 14 11/01/2019

Dear Parents,

Welcome back and a Happy New year to everyone. I would like to take the opportunity to say 'thank you' from all the staff for the very generous and thoughtful gifts at the end of the Autumn Term. Staff were overwhelmed by the kind gestures, and they feel very lucky to have such supportive parents.

All year groups have started their new topics and when the Senior Leadership Team completed learning walks this week, we all commented on how enthused and engaged the children were across the school, whether they were travelling by Jeep in the 'Jungle Explorer' zones in Year 2 or dressed as superheroes in Reception - everyone was certainly inspired.

Our Year 5 children travelled back in time this week as they arrived at school on Wednesday, dressed in Victorian costumes to celebrate Victorian day. The classrooms were set in rows and their lessons were delivered in true Victorian style by Miss David and

Mrs Littlewood, complete with gowns and mortar boards - I am not sure who enjoyed the day more!

Today we had an invasion of 'Vicious Vikings' when our Year 4 children completed a fantastic interactive Viking workshop to start their new topic. I know both of these events really captured the children's interests as you can see from the photographs. Our thanks to all of the parents for the amazing outfits, the children looked simply superb.

This term we are continuing with our Power Thoughts programme with the children taking part in their second workshop 'Mistakes are cool' on Tuesday 29th and Wednesday 30th January. They will learn how to reframe 'failure', embrace their mistakes and use it as an opportunity to grow. They will learn how to deal with setbacks and challenges so that they are able to develop their resilience and 'bounce back' with power. Through the workshop the children will also gain a deeper understanding of how their brain grows and changes when making mistakes and facing challenges. These workshops are facilitated by Natalie Costa and she will be running a parent session on Tuesday 29th January between 5:30pm—6:30pm. Natalie will explain the themes of the workshops the children will be covering this academic year, so that parents can become more familiar with the tools and the strategies taught. This will allow parents to support their children with their academic and home life, and through the challenges they may face through the transitions they will encounter as they continue to develop. It would be wonderful to have a good turnout for the parent workshop. Therefore if you are planning to attend the workshop, please complete the slip later in the newsletter or email Mrs Pereira, as this will give us an idea of how many people to expect.

We are extremely lucky at Southfield Park to have a very dedicated group of governors, they are all volunteers who give up their time to support the school with their expertise and ideas. A vacancy has arisen for a Parent Governor as Mark Hinton-Jones (dad to Ruby and Jasmine) has come to the end of his four year term. Mark has been on our Governing Body for the last four years and over this time, he has made invaluable contributions using his skills from his finance background and for two years has been

Chair of the Resources Committee ensuring we make the most of our budget in a very challenging financial landscape. I would like to thank Mark for his commitment to the role, it has been greatly appreciated by us all. This week we sent out a letter providing information about the Parent Governor role and a nomination form via Parentmail PMX, if you would like any additional information about this rewarding role please contact either our Chair of Governors, Graham Cox on: Graham.cox@southfield-park.surrey.sch.uk or myself, as we would be very happy to answer any questions you may have.

Attached to the newsletter is the updated dates list for the term, there are lots of different activities and events so please do read it carefully so you don't miss anything. We have also included the term dates for 2019-2020 as I know families will be starting to think about booking summer holidays soon, these are also available on the website.

Finally, next week is Maths Week when the children will be developing their reasoning and problem solving skills whilst completing Maths Trails all around the school. Look out for updates on Twitter as I am sure the children are going to have a brilliant week. We will also be welcoming the parents of **Britten Class** to come and enjoy lunch with their children on Friday 18th January.

Have a relaxing weekend, I think it will be a quiet one for everyone as it has been exhausting for children and staff alike trying to get back to the normal routines!

Kind regards

Kate Gee

Anti-Bullying Newsletter #3

I hope that you all had a lovely, relaxing Christmas break and a very happy New Year. I would like to start this Newsletter by thanking you for your feedback regarding our 'Anti-Bullying Leaflet for Parents' at the Parent Consultation meetings in November.

Please see the feedback we gratefully received below:

What we are doing well

- * It is great that we have an Anti-Bullying Ambassador in each class.
- * We raise awareness of and promote our Anti-Bullying Ambassadors well.
- * We talk about empathy in child-friendly language.

What could be improved

- ⇒ A whistle-blowing system could be put in place.
- ⇒ Staff and Anti-Bullying Ambassadors should closely monitor children who are lonely in the playgrounds.

The feedback is greatly appreciated and it was brilliant to see such positive responses. By sharing your thought and ideas, I am able to make changes and reflect further upon anti-bullying provision here at school.

Regarding the whistle-blowing system, I would like to assure parents that within our 'Staff Behaviour Policy (Code of Conduct)' there is a section headed: Sharing Concerns and Recording Incidents, Whistleblowing. This policy is updated annually, reviewed by our governor Graham Cox and is shared with all members of staff at the beginning of each academic year. It is a requirement that all members of staff read this policy and sign it to show that they adhere to the policy. This staff behaviour policy also makes reference to a separate 'Whistleblowing Policy' which is available to all members of staff should they need it.

In terms of a whistle-blowing system for children, each classroom has a 'Worry Box' where children can write any concerns they may have for themselves or for their peers. Each Worry Box is monitored regularly by the Class Teacher to ensure any worries are dealt with promptly and that necessary support can be put into place.

I would also like to assure parents that a vital part of our Teaching Assistant's role is to monitor vulnerable and lonely children in the playgrounds at playtimes and lunch times, and to intervene and provide support when it is needed. Additionally, during our Anti-Bullying Ambassador training session in the autumn term, the Ambassadors learnt how to spot bullying and how to help if they think somebody is being bullied. During our next training session, later in the spring term, I will remind the Ambassadors to keep an eye out for any lonely children in the playground and on our 'buddy benches', so they can provide peer support for these children.

Continued on the next page....

Anti-Bullying Newsletter #3 cont....

Following your feedback, I have also created a display in our school atrium called the 'Kindness Tree' (pictured right). This is a display that all children in the school have regular access to and enjoy engaging with. On the Kindness Tree are different acts of kindness for the children to choose and perform, examples include: 'look out for any lonely children in the playground and ask them to play' and 'keep an eye on the buddy bench – does anyone need a friend?' I hope that these particular acts of kindness that I have mentioned above, will encourage all children to look out for each other and to include different children in their play. The Kindness Tree also inspires children to think of their own acts of kindness which they can share on the blank leaves for others to perform.

Also with your feedback and the feedback from our first Anti-Bullying Partnership meeting, I have updated our Anti-Bullying Leaflet for Parents. This updated version is available as a hard copy in the office vestibule, electronically via our school website and this week our Admin Assistant, Sarah Hutton, has sent it electronically as a ParentMail. I hope that this means you are able to easily access the online links within the leaflet that can offer support and advice.

Thank you for your continued support and I hope that you are able to see the difference your feedback is making to our school ethos and community.

Kind regards,
Miss Gilby

Reception Parents Come to Lunch

We are pleased to invite parents of children in Reception to come and have a school lunch with their child as follows:

Friday 18th January Britten (reply by Thursday 17th January, 9am)

Friday 25th January Elgar (reply by Thursday 24th January, 9am)

Parents of children with a twin in each class can come to both days if they wish to sit with each child individually, or on one day and sit with both of them. However, please note that only ONE parent can come, and that it will not be possible for older siblings in the school to join their younger sibling for this meal.

There will be a charge of £2.82 for your meal; if your child doesn't normally have the school dinner, but would like to try it with you then there is no charge for them. Please send your money in with the slip below by the date shown above for your class, which is when we have to give Chrissy, our cook, the final numbers. Cheques should be payable to Surrey County Council, or cash, but please **DO NOT pay via Tucasi**. Please indicate if you would like a vegetarian meal instead of the usual fish-based meal.

Year 5 are Back in Time for... Victorian School

Kyen: "Victorian day was fun and exciting because we learnt how to write with an ink pen and in the old English style of handwriting"

Genevieve: "I thought that it is very unfair for children because they were treated so badly. Adults thought the only way to get children to listen and behave was to not treat them with respect. It was a fun day and I enjoyed sitting at desks and having very different lessons to our normal day"

Alice: "I thought it was a great experience to really see what life was like during the Victorian era. I enjoyed testing all the different ways they wrote like cursive, with ink or with chalk"

Ella: "It was a great opportunity to experience a child's life in the Victorian era"

HELP!

Year 4 is being invaded by Vikings!

Today, Year 4 have been learning all about the Vikings in a day long workshop. They've had the opportunity to handle weapons and armour, explore fascinating artefacts and act out Norse myths. All of the children expressed their enjoyment of the day and were exceptionally focused throughout. They simply cannot wait to learn more about the Vicious Vikings and Smashing Saxons.

"I really enjoyed exploring the artefacts and trying to work out what they were," Sofia

"I have really enjoyed dressing like a Viking warrior and learning gruesome facts," Alex

"It was great fun looking at and touching the Viking weapons," William

"The best part was when I got to hold all the weapons because it was really cool and exciting," Logan

Spring Term Clubs

Clubs start next week (week commencing Monday 14th January) and continue for the rest of the term, including the week the children return from the half term break. They finish the last week of the Spring term (week commencing Monday 1st April).

If there is a cost for the club, but it has not yet made, please can this be organised soon; if you have any concerns about payment please speak with Mrs Pereira or Mrs Hutton in confidence.

Please remember:

If your child needs kit for their club, ensure they bring it in with them—we waste a lot of time phoning home.

Staff also need to go home, or may have other appointments to go to— please be on time to collect your child; being even only a few minutes late on a regular basis is frustrating for everyone. The office is usually open until 4.30pm, so if you know you are going to be late, give us a call on the main office number (tel: 01372 743104). We will never let a child, especially the younger ones, leave school by themselves, or leave them without supervision when they are with us, but we appreciate knowing when you are likely to arrive, or if they are allowed to go with someone else, so arrangements can be made.

Lamda

Thank you to everyone who responded with their interest in Lamda classes (music and dramatic art).

Now we know that there may be sufficient interest, Mrs Pereira is looking into the possibility of this happening, and will email with details once she knows if it is going ahead and what the arrangements will be.

Please be patient, though, as you may not hear anything for a few weeks!

Clubs for Children in Reception

Tuesday Basketball and Wednesday Football are being opened up to children in **Reception classes**.

Basketball: book a place online via www.lovethislifebasketball.com

Football: come into the office or email Mrs Hutton. The cost is £44, and your child needs to be able to get themselves changed without too much help! They will need kit to change into, and velcro football boots are good, rather than laces. Once you confirm that your child would like a place I will add the club to their Tucasi account for payment.

Tuesday Hi 5 Netball for All

SEEKING NEW Y5 TALENT
FOR HIGH 5 NETBALL CLUB!

We are looking for some additional **Y5s** to attend our Tuesday after school Club, **High 5 Netball For All!** High 5 Netball is a brilliant game for both boys and girls – it teaches them physical skills and tactical knowhow whilst providing lots of challenge and fun. While we do have children already signed up to the Tuesday Club, there are still some spaces which we would love to fill as we aim to ensure we have a good number of children trained and ready to compete in matches against other local schools in 2020. Why not encourage your child to give it a go?!

We are especially keen for a few more boys to join us.

The coaches are Mrs Yeates and Mrs Glasspool, the Club costs £44 (up until Easter) and this term's programme starts next Tuesday from 3.20 p.m. to 4.15 pm; we will be delighted to welcome some new faces to the Club.

Please contact Mrs Hutton for further details or to book a place (sarah.hutton@southfield-park.surrey.sch.uk)

Thank you.

Playground Behaviour and Car Parking

Please can ALL parents be aware of what their children are doing in the playground before and after school. Scooters and bicycles MUST NOT be used while on the school grounds unless under supervision during an organised school activity such as bikeability sessions. Please talk with your children and ensure that everyone stays safe in the playground.

Dogs should be tied up OUTSIDE the school grounds, well away from the entrances, and cannot come onto the school grounds even if they are held in your arms. A lot of people are afraid of dogs, and it can be scary to have to walk passed them when they jump up and bark, even when they are tied up, so please be thoughtful of others feelings.

Car parking has been so much more considerate recently, but please don't park in a way which even partially blocks in other parked cars; a car was nearly damaged this week when trying to reverse out of a parking space, so please make use of surrounding streets if there isn't a proper parking space available.

Vicious Vikings

Saturday 12 January 2019

1pm to 2.30pm

Discover if Viking raiders really were as vicious as they claimed to be. Ewell will be visited by a Viking warrior resting between raids, and he will demonstrate the fact behind the fiction.

Revealing why the Berserkers were so revered within Viking culture, he will show off his terrifying array of weapons. Would you be brave enough to defend your home against a Viking attack?

Uncover the culture of the Vikings : their craftsmanship and their trade. See how they made their own armour, and learn how far they travelled in pursuit of goods, land and slaves. Discover how to fight like a Viking and perhaps learn the skills of spear wrestling!

£5 per child
