## Newsletter 21 15/03/2019

Dear Parents,

There is a lot of 'Fancy Footwear' on display today as we all support Comic Relief. We were delighted that so many children wanted to take part in the 'Bake off' too; all of the designs, and names of the cakes, were very imaginative and I know that the children really enjoyed getting stuck into the baking. These were sold in the cake sale at the end of the day with the proceeds also going to Comic Relief. This afternoon we have all been in our Houses preparing for the *Southfield Park Dance Off*. Each House choreographed a short routine to perform to the whole school with the winners chosen for the quality, creativity, range of dancers included into the routine and most importantly, entertainment value! As always, it was a fantastic event and carried off in true Southfield Park Style. The comperes for each House, who introduced their dance routine, were confident and witty, and great fun was had by all. It is important for the children's wellbeing to help those less fortunate than themselves, and as well as having lots of fun our school community has raised over £300 so far, not including the money raised by the cake sale. We will let you know what the total is, including the cake sale, next week. Thank you all so much for your generosity and support.

Attached to this newsletter you will find the most recent Anti Bullying newsletter from Miss Gilby, sharing the activities she and the Anti Bullying Ambassadors have been involved in, as well as updating everyone on the meeting of the Anti Bullying Partnership meeting that she held this week. The Anti-Bullying Partnership meetings are powerful as they involve all stakeholders, staff, children, parents and Governors and help us to continue to develop our anti bullying strategies as well as feedback on what is going well. Thank you to the parents that gave up their time to attend, and also to Miss Gilby for all her hard work in promoting Anti Bullying across the school.

Year 3 shared their passion for recycling at their year group assembly on Thursday, making sure we are all aware of the importance of protecting the environment—they really are 'Waste Warriors'. It was wonderful to see the confidence with which all the children spoke, especially some who have really blossomed in year 3 and become more bold and self-assured. We were all very proud. Thank you to the Year 3 team for planning and rehearsing such an interesting assembly, with such an important message. The assembly was well timed to link with our school recycling initiative, launched by Mrs Walker and Mrs Page during Monday's school assembly. All the children (and staff) are collecting crisp packets and biscuit wrappers from their lunch boxes each day in an effort to give back to the environment. There are also boxes in the entrance hall if you have any at home you would like to add to the collection.

Sadly, today we have said Goodbye to Ms Votier, the teaching assistant in Faraday class. She has been with us for 5 years and during that time had such a positive impact on many children and contributed much to our school. She is leaving us to take up an exciting role supporting English from Years 4 to 7 at an independent school in Sutton so we are all delighted for her but sad to see her go. I am sure you will join me, and the staff, in wishing her well. Mrs Helene Lebas will take over the role for the remainder of the academic year and I know she will receive a warm welcome from everyone.

Our netball team has been in action again this week against with matches against Cuddington Community Primary School for both the League and non-league teams. In a really tight league match Southfield Park came out winners by 8:7-phew! The children were marvellous and gave their all in a tense and closely contested match. Our non-league team also secured a win, scoring five goals in their 5:1 victory. We are so lucky to have such dedicated coaches in Mrs Yeates and Mrs Glasspool and I know the teams, and their parents, really appreciate their efforts, as do we all. Thank you ladies.

Next week, on Thursday, we will be supporting World Down Syndrome Day, and would love the children to wear some silly / funky / funny socks or tights. This is to raise awareness of Down's Syndrome, so we aren't asking for any donations, but we look forward to seeing a wonderful array of patterns and colours around the school.

Have a lovely weekend,

Kind regards

Kate Gee.

A percentage of your purchase goes straight to the Friends to help the school. Please see the order forms attached - we need these back by **Friday, 5th April** (the Friday before Easter) so that we have the T-shirts ready before Sports' Day on **Friday, 24th May**.

## Reading Ranger needed!

Our wonderful Reading Rangers come into school once a week at a regular time to read with a small group of children. It makes a massive difference to the children, who love having the one-to-one time with their adult, and we see a big improvement in their reading and comprehension.

We need one more Reading Ranger, to work with the children in Holmes class, so if you have an hour or so to spare at the same time every week, and would like to commit to helping out, please contact Fay Hall, who co-ordinates the Reading Rangers, on

fay.hall@southfield-park.surrey.sch.uk

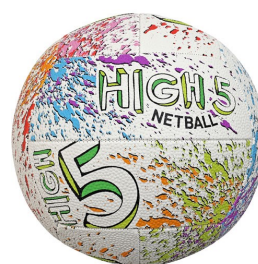

If you don't have one already, you will need a DBS check through the school, so just come into the school office, or give us a call, to get the forms.

Age, gender and [lack of] experience are not an issue, and we look forward to hearing from you soon!

## High 5 Netball Success!

In High 5 Netball fixtures against Cuddington Community Primary School yesterday afternoon, both the League and Non-league teams worked really hard to secure wins against tough opposition. The League Players (George Anderson-Smith, Sara Annuar, Olivia Chambers, Hannah Coen, Freddie Garrod, Lewis Miller and Amelie Paul) won 8:7 - close! - and the Non-League Players (Oscar Chapman, Hattie Mannering, Mae-Ling McCarthy, Joe McDonald, Caitlin Moore, Georgia Reis and Maddy Theobald) won 5:1. There was excellent play, some exciting goals and an excellent sporting ethos! Keep it up netballers! We're very proud of you.

## Parking around Southfield Park Primary School

A local resident has emailed asking that we remind parents again about parking considerately on the residential roads around school. Parking across driveways and on the pavements results in frustration and delays for those who want to go about their business. Even if you expect to be only a short time, for dropping off or picking up, please can everyone makes the effort to be thoughtful when they park on the roads.

Surrey County Council recommends that residents contact their local borough or district council's parking team if a vehicle is blocking access, who can issue a penalty charge notice if a vehicle is parked across a dropped kerb, even if there is no access protection marking painted on the road.

The council has no enforcement powers against pavement parking in uncontrolled roads. Where there are no waiting restrictions (i.e. yellow lines) on the road, enforcement can only be done by Surrey Police. If there is a situation where pedestrians, pram or wheel chair users are being forced into a busy road as a result of inconsiderate parking, then it should be reported to Surrey Police, on the non-emergency phone number 101.

# Having Fun While Helping Others....

# Anti-Bullying News- letter #4

This half term, our Anti-Bullying Partnership, which includes children, members of staff, parents and governors, met for the second time this year. Our second meeting was hugely positive and I would like to say a **big** a thank you to the members of the partnership for supporting us as a school community. The Anti-Bullying Partnership group is having an enormously positive impact upon our anti-bullying ethos, provision, policy and events here at school. For more details about this partnership meeting, please see the minutes which you can find at the end of this newsletter.

As always, this half term, our Anti-Bullying Ambassadors have been busy with lots of different jobs and I must say that they have been simply brilliant. This half term, the ambassadors have had their second training session and a big thank you must go to Jack Winder, our Head Boy and Year 6 Anti-Bullying Ambassador, for his excellent report (in last week's newsletter) which included details of the training.

After this training, the Junior Anti-Bullying Ambassadors had the opportunity to read a story called 'Topsy and Tim Help a Friend' to the Infant classes. This story book was kindly given to us by Camilla Ray, Mum to Bertie and Willoughby and our parent representative of the Anti-Bullying Partnership group. The story explores bullying in an age-appropriate way and makes children aware of strategies they can use if they feel somebody is being bullied, such as speaking to a trusted adult. Thank you to the ambassadors for being so brave and reading to the different classes - I know that the Infant children loved listening to the story and having the story read by their peers made it even more special and memorable.

Earlier this term, our ambassadors launched a poster competition in our Anti-Bullying assembly. We had a great number of entries and the standard was exceptionally high. The ambassadors then had to decide which posters should be placed on our Anti-Bullying board in the hall and which should be placed around the school and they worked together incredibly well to do this tricky task! Then they thought carefully about where the different posters would be most helpful for their peers around the school, e.g. Infant corridor, Junior corridor, toilets. The ambassadors then updated our board in the hall and also added their handprints to remind their peers to lend a hand and to help us stop bullying. Thank you and well done to everybody who entered the competition, your posters look amazing either on the board or around the school.

Kind regards,  
Miss Gilby  
PSHE Leader

Share updates from ‘what could be even better/actions’ from our last meeting. What has been the impact?

Resources from Camilla – how they have been used here at school.

Anti-Bullying Partnership Display Board – writing a little about ourselves for the children to read.

Decide agenda for our next meeting during the summer term (date tbc)

#### 1. Impact from our first meeting

- ⇒ Parent-friendly anti-bullying leaflet has been updated using feedback from the Anti-Bullying Partnership group and from parent feedback at Parents’ Evening in November. This is available on the school website, as a hard copy in the office vestibule and has been sent electronically via ParentMail.
- ⇒ Silver Anti-Bullying Chartermark award symbol has been added to the parent leaflet and the school website – anti-bullying section and awards page. It is also now included on the Anti-Bullying Newsletters (half-termly) which are part of the school newsletter – sent via ParentMail.
- ⇒ Have emailed two companies to enquire about anti-bullying workshops for the summer term. ‘Perform for Schools’ and ‘Action Work’. Once they are arranged, I will remind/ask class teachers to give children some time (back in the classroom) for reflection and to discuss what they have learnt following the workshops.
- ⇒ Agreed with Sarah Hutton that when a new child joins a class during the school year, Anti-Bullying Leaflet for Parents will be included in their information pack.
- ⇒ Next academic year we will build upon our good practice and hold a fundraising event to raise money for an anti-bullying charity. Also, hold an assembly to explain the work of the charity that we are raising money for and explain how they can provide support.

#### 2. How Camilla’s resources have been used here at school

- ⇒ ‘We’re All Wonders’ book and the supporting teacher resource pack was used by LG to lead a whole school assembly in the spring term.
- ⇒ The Anti-Bullying Ambassadors read ‘Topsy and Tim Help a Friend’ to all infant classes following their second training session.

# Anti-Bullying Newsletter #4 cont...

## 3. Anti-Bullying Partnership Display Board

- ⇒ LG will be updating the Anti-Bullying Ambassador display board in the atrium to include an Anti-Bullying Partnership section. All agreed to write a few sentences about ourselves for the children to read alongside our names and photographs.

## 4. Agenda for our next meeting

- ⇒ Our next Anti-Bullying Partnership meeting will have a training focus. Partnership members to potentially attend an Ambassador training session.
- ⇒ LG also recommended a training programme by the Anti-Bullying Alliance. It is free to create an account and complete up to 7 modules. The training section of the website also includes a parent anti-bullying tool. Link and website view below:
