

Newsletter 31 28/06/2019

Dear Parents,

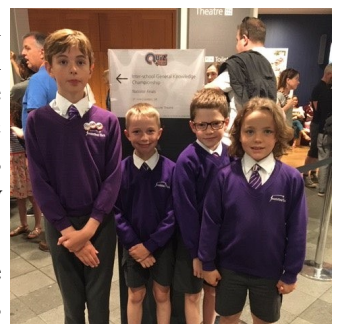

It has been quieter around school this week with our Year 5 children off on their residential trip to PGL but it has still been a hive of activity here with so much going on.

The PGL trip has been a big success and Mrs Gee has been in regular contact with us here, keeping us up to date with all the activities. The children are 'having a ball' in the IoW. The weather has been dry and sunny but to be honest I don't think even a drop of rain would have dampened their spirits! The children have behaved beautifully and been great ambassadors for our school - a real pleasure to accompany. I am sure they will be very tired on their return and full of news about all their achievements. Thanks to all the staff who have gone along and left their own families for the week, I know they will need the weekend to recover too.

Year 6 are continuing with their exciting 'post SATs' activities and this week have practised their cooking skills and learned about healthy eating choices and a balanced diet when the Mobile Kitchen visited school on Tuesday afternoon. The children all enjoyed creating their own bespoke healthy wrap and hopefully it has inspired them to try something new that they haven't tasted before. On Thursday, they were off to Box Hill for the rescheduled visit to the River Mole that was cancelled earlier this month because of the heavy rain. This time we had dry, sunny weather and the children were able to complete their geography fieldwork and look at the features of rivers they had learned about in the classroom in action to embed their learning, as well as experiencing a day in the beautiful outdoors.

Our Quiz Club team, Emily Troesher, William Chambers, Harry Kirk and Alex Hughes, travelled to London on Thursday afternoon to compete in the National Finals of the event at The National Gallery in London. Mrs Glasspool and the children's parents accompanied them for this exciting trip to share their fantastic knowledge by competing against twelve other teams. They gave a tremendous performance, finishing in a very creditable 6th position, and made us all really proud of them.

It is always a privilege to hear about, and celebrate, the fantastic achievements of the children in the various events and competitions they take part in outside of school. We are therefore delighted to share with you that we now have a World Karate Champion in our midst, as Sara Annuar in Year 6 competed in, and won, the WUKF World Championship in the Brown-Black category last weekend. Sara competed against 20 other girls, and the result is an amazing achievement for her and endorsement not only of her skill, but also of her commitment and determination. We are all so proud of her.

The end of year 'performance season' has now well and truly begun and got off to a fabulous start with our Phase 1 children sharing their 'Summer Celebration' with their families on Thursday and Friday mornings. Some of the Year 1 children were dressed as grandparents reminiscing about their school days and sharing all their memories of this year. At this time of year it is always a treat to stand back and reflect on everything the children have achieved over the year and how far they have come in such a short space of time. It reminds us all of what special times these are in a child's life and how lucky we are to be part of it. There was wonderful singing and dancing, as well as great acting skills, on display and I have told Mrs Gee that there is a replacement ready and waiting to take her place in Harriet Rix!

Last week we told you about the staff who are leaving us to pastures new and this week we can introduce you to three new members of the teaching team from September. Miss Shannen Mulvihill, who the parents and children in Shakespeare Class will know well as she completed her final teaching practice with us in the Autumn and Spring terms (as well as accompanying the Year 5 residential to the IoW this week), will be joining us as a Class Teacher from September this year. Miss Frances Foley and Miss Alyssa Valbuena will also be joining us, both relocating to Surrey having previously taught at schools in Kent. We are lucky to have attracted

such high calibre staff to work at the school and are looking forward to welcoming them to our team. The new teachers will all be in school next Tuesday for our 'Moving Up' morning and will meet their new classes then. Later on in the newsletter you will find the Class Teachers and Teaching Assistants for each class for 2019/20 and where classes will be moving to next year. For Years 3 and 6, where the classes are mixed, the new classes will be announced to the children on Tuesday morning and class lists displayed outside the Year 2 and Year 5 classrooms at the end of the day. Please can we remind parents that photographs of the class lists should not be taken and posted on Social Media as this would contravene GDPR.

With just three and a half weeks to go until the end of term things are going to be busy, so do watch out for important dates and events. We hope you have a fantastic weekend in the glorious sunshine we are promised and we look forward to welcoming back the year 5 children and all the staff next week.

Kind regards

Julie Crawford

Attendance this week

Sparky says “well done!” to **Faraday Class**, who had the best attendance this week with **99.7%**, and to **Nightingale, Redgrave, Newton, Shakespeare, Victoria and Attenborough Classes**, who also had high attendance this week!

Attendance Monday 24th - Friday 28th June 2019

We Love Fish & Chips!

The Kitchen staff are really pleased when the children love the food they cook, but today was ‘Fishy Friday’ and **15** more children than they were expecting turned up asking for the school lunch! Its impossible to work out who the extra children are, and while everyone was fed, its obviously quite a stressful time for the kitchen. Please can you talk with your child and remind them that if they are supposed to be having a packed lunch from home then they can’t change their minds and have a school dinner instead.

And thinking of school dinners for September....

After Moving Up day next week, please can you let us know what your child’s meal pattern will be in September, remembering to put their name and NEW class name, as well as September, on the sheet. Please say for every day whether they are having a packed lunch or school dinner. The children won’t be able to tell us their new pattern on the first day back in September.

New school uniform

Amy Kainth will be selling school uniform in the playground after school on

Monday 8th July

If your current Y2 child wants a school tie for Moving Up day, we have some in the office for £4 each.

Playball

Playball tickets are still on sale for both Juniors (5th July) and Infants (12th July). We have limited space so please book early to avoid disappointment. Tickets are £5 each and include a drink and a biscuit. They can be purchased through our ticket portal at: <https://www.pta-events.co.uk/friendsofsouthfieldpark/>.

We now have about 60 people signed up the school lottery, with one luck winner getting around £20 each week. This week it's congratulations to Julie Stanbrook!

The more tickets we sell, the bigger that local prize is, so feel free to share the link with family and friends! And of course, every ticket holder has a chance of the national £25,000 prize!

If you have yet to purchase a ticket and would like to get in on the action, please sign up on this link:

<https://www.yourschoollottery.co.uk/play>

(search for "Southfield Park").

Sign up today and you could win one of three sets of Surfanic luggage sets, just in time for your summer holidays! The lottery has already raised nearly £200 for the school and it's currently estimated to make about £1200 in the year - but if we can sign up another 25 or so people, we could get that over £2000!

Dates for Your Diaries

Fri, 5th July

Junior Playball - 4.30 p.m. to 6.00 p.m.

Fri, 12th July

Infant Playball - 4.30 p.m. to 6.00 p.m.

NATIONAL FINALS OF THE NATIONAL INTER-SCHOOL QUIZ CHAMPIONSHIP

I was lucky enough to accompany our Team to the National Final of this amazing competition. We all arrived at the National Gallery (no less!) in excellent shape and ready to quiz! The Quiz took place in a theatre, with stage lighting and the questions appearing on a huge screen. Unphased, the Team set to work, tackling some extraordinarily difficult questions which hushed us all in the audience into silent respect! We could see our pupils contemplating and discussing each question and employing all of the strategies required to rack up points – all against the clock. Despite the air-conditioning, the room was heated and tension levels rocketed but Alex Hughes, Harry Kirk, William Chambers and Emily Troeschler kept their cool.

With an impressive 1,660 points we finished in joint 6th position (in a field of 12 schools). This was an excellent outcome and along with the mums and dads I was prouder than proud of our brilliant Team.

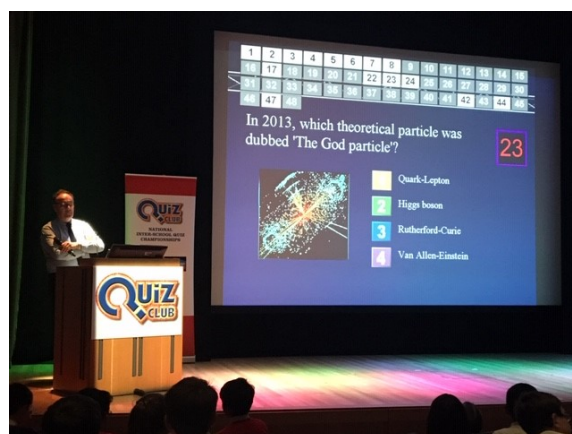

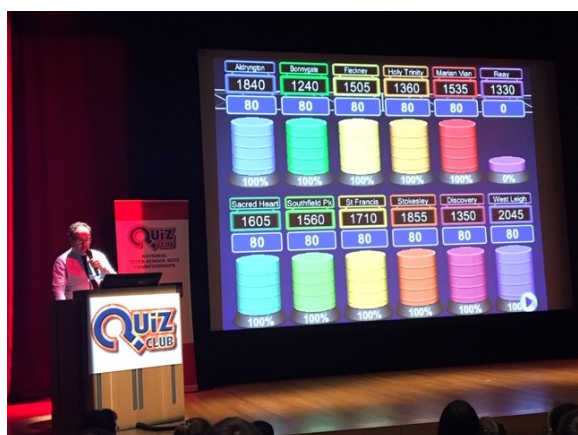

Comments from team members:

Harry: *It was really good fun ... and the ice cream on the way home was DELICIOUS!*

Alex: *I enjoyed the harder questions and looking around the National Gallery.*

Alex, William, Harry and Emily all received special certificates in Bright Sparks today and everyone gave them a well-deserved – and very loud – round of applause.

Mrs Glasspool

How will my child be looked after?

For our youngest age group, the emphasis is on fun and play in a caring and safe environment. We use small activity areas, simplified rules and adapted equipment, and encourage all our Krazy K's to develop at their own pace. All Krazy K's are allocated a Key Person to ensure they settle in and get the most out of their time with us.

In order for your child to get the most out of their time at KOOSA Kids, they will be grouped based on their school year.

Each age group has its own identity and is allocated coaches who best suit their needs. Suitably qualified staff, including Paediatric First Aiders, are present at the club at all times. All activities are delivered in an age appropriate manner with the emphasis on fun for our youngest children and a different focus on development as the children get a little older.

Please note grouping on the day may be subject to change due to regulatory staff to child ratio requirements.

Our middle age group follow a programme of activity that helps them to develop their growing sense of interest in everything around them. Action, excitement and discovery await every Kool K.

Exclusive to our eldest attendees!

For our King K's, all the fun and excitement of the Kool K's is retained, but within an environment that encourages independence and individuality. The King K day includes a child-lead, multi-choice programme in the morning and the afternoons are spent taking part in 'King Club' and 'Extreme Team'. Both afternoon sessions happen well away from the rest of the activity groups, ensuring our King K's really do feel like they are in their own 'club environment'.

King Club Zone

Our King K's are given the chance both to chill out with friends and take part in a selection of cool games and activities, including Table Football, Den Building, Card Games, Art Tables, Board Games, Rubix Cubes, Jewellery Making and much more!

Xtreme Team

The last hour of the day is devoted to a 'fast and furious' activity which introduces our King K's to an appropriate level of risk and challenge. Children can choose from a host of activities including House of Fun, Elves, Wizards & Giants, Capture the Flag, Escape Rooms and Everybody's It.

6 EXCEPTIONAL VALUE ★ OUTSTANDING QUALITY ★ UNLIMITED FUN

What will my child do each day?

We understand that every child has different interests which is reflected in our dynamic range of over 350 activities.

Your child will take part in up to nine structured activities each day, four each from both the **DISCOVERY** & **ENDEAVOUR** ZONES, an organised free play session after lunch and plenty of breaks throughout the day. If you require childcare beyond the standard 10.00am to 4.00pm, our **EXTENSION** ZONE enables you to drop off from 8.15am and pick up as late as 6.00pm.

ENDEAVOUR ZONE

Shoot, score, jump & celebrate with the thrills and spills of the Endeavour Zone.

A host of games, activities and inspiring equipment, designed to get your child up and active. Squad Sessions, Relay Rallies, and Action all Areas activities include Junior Cricket, Mini Football, Crossbow Challenge, KOOSA Grand Prix (Go Karts), Silly Sprints, Obstacle Challenge, KOOSA Open Golf, Unihoc, Rounders and much, much more.

DISCOVERY ZONE

Imagination, drama, creativity, artistic flair and encouraging children to be inspired about the world around them.

Activities include Big Chief, What Lies Beneath, The K Factor, Paint Party, Hama Time, Clay Moulding, Nature Detectives, World Wonders, Nature Alphabet, Building Bonanza, Character Mime, Ships in the Fog and many more!

EXTENSION ZONE

Flexibility for working parents and those looking for longer childcare for ad hoc commitments.

During the AM Extension Zone, children can choose between a host of non-active games & activities, including puzzles, books, bowling, arts & craft tables and much more. Staff will support children to choose the activities they wish to take part in. The PM Extension Zone features a group Challenge Zone activity, followed by a quieter period of play, similar to the AM Extension Zone.

KOOSA Science

KOOSA Science will return every Monday and Super Science week (w/c 5th August), will see a NEW Science Experiment every day, including Finger Print Detectives, Balloon Cars, Flying Challenge & Shaving Foam Rain Clouds!

New for 2019!
