Dear Parents

It was wonderful to see so many families attend our 'Open Classrooms' on Wednesday. It is always a popular event and the children are always so proud to show off their classrooms and share their work. There was a real buzz around the school and I am sure you were all impressed with what you saw and how hard the children have been working this term.

Thursday morning saw our first year group assembly of the year with Newton and Darwin classes sharing their fantastic adventures from their residential trip to Sayers Croft. It was clear how much they had enjoyed the trip and learned many new skills. There were so many highlights for them and they clearly relished every minute - I am sure would do it all again in a flash if they could! Thank you to the Year 4 teachers for organising the assembly as well as giving up their time to ensure the children had such an unforgettable experience on the trip, growing in both confidence and independence.

Green was the colour of the day in school on Wednesday as the school showed our support for Cerebral Palsy day, recognising a condition shared by two of the children at our school. Together, we recognised differences between ourselves and others, and how crucial it is that we do not let our differences limit our achievements. It was a positive day, focusing on what we can all do and using our two 'super heroes' as examples of determination for us all.

This year wellbeing remains high on our school's agenda as part of our school development plan. With this in mind, next week on Wednesday, 16th October we are asking children and staff to wear one item of yellow clothing to support the work done by the charity YoungMinds. One of the key goals of YoungMinds is to ensure that children and young adults receive the best possible mental health support and have the resilience to overcome life's difficulties. We will talk to the children about #HelloYellow day during the whole school Assembly on Monday morning and teachers will be delivering PSHE lessons focusing on wellbeing and good mental health later in the week.

Last year we trialled replacing the Parent Focus Group meetings with a Parent Pop in afternoon to widen the group of parents coming forward with feedback, ideas and suggestions about what was going well as well as proposals for improvement. We will be holding a Coffee Morning with myself and Mrs Crawford on **Wednesday 16th October from 8:45am to 9:30am** and would love to see as many parents as possible to find out what you think is going well and any ways you think we could do even better. We look forward to seeing you there. We will hold subsequent meetings at different times to try and attract as many people as possible.

One final reminder, now that we are well and truly in Autumn and the weather is so unpredictable and varied, please ensure your child brings a coat to school every day as we do try to make sure the children get outside in the fresh air wherever possible.

Do you have a favourite vegetable? Make it a cute cartoon character that excites everyone and spreads the word:

Eating vegetables is good for your body, good for the Earth! Grab your brush/pencils and some creative time, **give your drawing to your catering team by 14th October!** The catering team in your school will select a winner, who will be entered into the overall final where it will compete with other school's entries.

The top 3 winners will get a vegetable hamper with recipes, together with a chef's hat and apron. In addition, the first prize will have their winning entry turned into an amazing soft toy character.

We can't wait to give you your prizes.
Top 3 winners will be announced on 8th November.

Ready, Steady, Go Get Drawing!!!!!!!

COME AND EAT WELL WITH US EVERY SCHOOL DAY!

Changing Meal Patterns

If your child wants to change their meal pattern for the next half term, please let us know before the end of this half term (Friday 25th October), and note that the kitchen will be changing to the new Winter menu at that time; we hope to let you know what the new menu is soon. A pattern can be school meals every day, packed lunch every day, or a mix of the two, but they must be on the same pattern every week, so for example a flexi pattern could be a school dinner on Wednesday and Thursday, and a packed lunch on Monday, Tuesday and Friday, but the pattern must stay the same each week, for the complete half term.

All children have the main dinner, unless a suitable alternative is required, and in addition:

Monday: Y5 & Y6 can choose at the servery hatch to have a cheesy pasta pot

Tuesday: Y6 will be asked if they want the main meal or a panini

Thursday: Y6 will be asked if they want the main meal or a panini

Friday: Y5 & Y6 can choose at the servery hatch to have a tomato pasta pot, with optional meatballs or sausage, depending on the week

ASD NEWSLETTER

Dear Parents/Carers

Thank you to those who are able to attend the group. It's always really lovely to see so many of you and also many new parents. Please join us again this academic year as we hope to continue offering you all support and advice over the next months.

Please note that our next session is on the **16th October 2019** which is a **Wednesday**. It is in our usual room.

Nicky and I would like to offer you all a space to join us in thinking about the triggers and challenges of managing challenging behaviour. This can be linked to a day in school where your child manages to hold everything together, but once home this can change.

All parents or carers of children on the Autism Spectrum or with traits are welcome. We often have a speaker, but we also try and allow time after to chat, drink coffee and eat biscuits. I look forward to seeing you all, and also to welcoming group members.

If you want to be able to contact or be contacted by other members of the group, Sara Lawler sara.lawler@outlook.com is in charge of the Parent Support Group contact list (separate from the CAMHS email list) and I am sure she would be happy to help.

Nicky and I would like to thank you all for your continued support and your commitment to attending the group. We would be grateful if you could inform us of any topics you feel would be interesting to include in our group sessions. We will do our best provide these. We look forward to the start of our parent group again this term.

Best wishes

Pat Griffin and Nicky Radford
