Dear Families,

We had a lovely Reception assembly last Friday. I am not sure there was a dry eye in the house! The children were so confident and worked brilliantly as a team – exemplifying the message of being a kind friend. Well done Reception, we so enjoyed hearing about your year so far!

It has been lovely over the last couple of weeks to see the changing corridor displays going up. Check them out when you come in for our final open classroom of the year. Thanks to the staff team who tirelessly think of inventive new ideas.

Mrs Walker and I have been spending time in classrooms and talking to children to find out about their experiences with learning in the classroom. The children were able to speak so articulately about what helps them to learn; what they enjoy and where they feel like they need some more help.

It was World Mile day last week. All the children got outside and ran. Thanks to Miss Foley for her particular focus on sport and fitness so far this year.

I met with our wonderful school council members today. We have decided we would like to audit the playground equipment and markings. The children will be monitoring activities and recording what is used most frequently and will also gather information about what else the children would like to have available during play times. They will be then writing a proposal to the Friends for some funding.

Reminder: please be alert to some groups of people intimidating young children in Long Grove Park and the surrounding areas.

Please have a look at our website to see our current vacancies – we are advertising for a class teacher and a School Business Manager.

Have a lovely coronation weekend. We will see you all on Tuesday.

Lauren Clogg
Headteacher

News from the Friends

New Treasurer

We held our EGM on 24th April, and are delighted to announce that Laura Lawson was appointed our new treasurer. She brings with her many new ideas, and we are really looking forward to working with her.

We would like to take this opportunity again to thank her pre-decessor, Somphrathay Nhouyvanisvong, for her time on the committee. We are extremely grateful for the important role she played when she was with us.

House T-Shirts

House t-shirts were delivered to the classrooms on Thursday morning, so your class teachers should hopefully have handed them out to your children by now.

We aren't able to order any more as the costs for small orders are prohibitive but we do have a few left over from previous years overstock and in the pre-loved collection.

Please have a look at <https://www.pta-events.co.uk/friendsofsouthfieldpark> to see if there's something in the size and colour you need and we'll drop it off to school over the next few days.

Summer Fair

Preparations for this year's summer fair are in full swing and we'll be reaching out to the school community very soon for assistance with your class stalls and donations. If anyone has any suggestions of something they'd like to help us with at the fair, or if you have any ideas we haven't thought of yet, please don't hesitate to contact us.

We'd love to hear from you!

GROUP

Donate your
secondhand books
to disadvantaged
children

There is no doubting that times are tough at the moment and many families need extra support.

By donating your children's pre-loved books when they have moved onto new stories and adventures, we can pass on them onto families who perhaps do not have access to new books.

We are working with Epsom Foodbank & Epsom Pantry to provide a regular book stall where families can take a pre-loved book for their children completely free of charge with no obligation to return them.

All we need is your books!
